August 25, 2020

Special Offer

In an effort to support the local business community, **My Print and Copy**, 100 Cummings Center, Suite 210-D, is offering free COVID-19 safety posters to Cummings Center and Dunham Ridge client firms. For additional information or to pick up a poster, call 978-232-3552 or visit Suite 210-D.

Upcoming Event

North Shore Transportation Management Association, 100 Cummings Center, Suite 342-G, will host its final two weekly health and wellness webinars on **Wednesday, August 26** and **Wednesday, September 2, from 12:00 to 12:45 PM**. The free sessions are designed to help motivate attendees to reach their fitness goals and relax and recalibrate. Please register online. Additional information is available on the website.

Latest at Cummings Properties

TechCenter at Dunham Ridge: Our latest development, TechCenter at Dunham Ridge, is the newest addition to the growing life sciences cluster on the North Shore. With 154,000 square feet of lab-ready build-to-suit space, it is ideal for the biotech, advanced manufacturing, and technology sectors. The Dunham Ridge campus is already home to cutting-edge companies like Microline Surgical, Harmonic Drive, Prova, and System 7.

If you know of an innovative company looking for a headquarters location or expansion space outside the pricey Boston and Cambridge market, please refer your contact to Cummings. You could earn \$1 per square foot if your qualified prospect signs a lease with us. For more information, contact your account manager or find details online.

Simple Smiles

Simple Smiles is a community bulletin board of sorts to help everyone start the week off with a smile. We are inviting all North Shore News readers to submit photos of something or some place that always makes them smile. Please refrain from sharing photos that feature people.

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

In its heyday, The Shoe occupied a total of 21 acres of interior space. Today, Cummings Center has more than doubled that figure and spreads across 54 acres of interior space.
