Cummings recently honored **Glenn Flannigan**, general manager of Charles George/Wheelabrator Technologies, with a celebratory captain's chair. Flannigan is the first ever Cummings vendor to receive this recognition, which is typically reserved for long-term employees and leasing clients. Over the past 20 years, Glenn has provided impeccable waste collection service to the Cummings community. Cummings Buildings Power Charities

The early spring chill was no match for the dozens of well-wishers who turned up for Lillian Braudis' 101st birthday celebration. Staff at Cummings Foundation's [New Horizons at Choate](#) senior living community, Lillian's home of three years, organized the festive, socially distant event, which included a well-attended car parade and a visit from Woburn Mayor Scott Galvin. Watch [this two-minute clip](#) from WHDH Boston 7 News to catch the highlights, including remarks from Lillian about this exciting occasion.

All residents at New Horizons in Woburn are now fully vaccinated against COVID-19. Both this retirement community and the Foundation's other New Horizons location, in Marlborough, recently conducted widespread testing of residents and staff. **Every single one of the more than 600 tests came back negative for the virus.** Learn more about [these warm, welcoming communities](#).

Friendly Reminders

Upcoming Holiday: Cummings Properties' offices will have limited staff on site on **Monday, April 19** in honor of **Patriots' Day**.

Fire Hazard: Although spring has barely begun, the dry weather has already made mulch fires a serious concern. Improperly extinguished tobacco products are a frequent cause of mulch fires, which can spread rapidly, causing costly property damage and—most importantly—endangering the wellbeing of people in the area. If you see smoking or burning ground, please call 9-1-1 immediately.

In accordance with [Massachusetts Smoke-Free Workplace Law](#), smoking cigarettes, e-cigarettes, or any related products is strictly prohibited inside or near Cummings Properties buildings and garages. Those wishing to use nicotine delivery products must do so outdoors, at least 30 feet away from building entrances or windows.

Tax Time: Due to COVID-related changes, the deadline to file 2020 Massachusetts state and federal income taxes has been extended to **Monday, May 17**.
